Summary

I am looking for an entry-level Product Manager role to use my technical expertise, creative problem-solving skills, and passion for user-centric design to drive product innovation, enhance user experiences, and contribute to the success of an organization. I am eager to collaborate with cross-functional teams, learn new technologies, and lead product development initiatives to deliver valuable solutions that meet user needs and drive business growth.

Education

Bachelor of Sciences Public Administration

National Open University of Nigeria • Lagos, Lagos
05/2024

Experience

UI Designer

NovusUI • Lagos, Lagos
01/2023 - 03/2023

- Created reusable UI components that allowed for faster development and reduced development time.
- Facilitated a successful photo shoot that showcased a designer's new collection.

Project Manager

OMba Logistics • Lagos, Lagos
07/2021 - 06/2022

- Create the business plan and roadmap and create a connection with our first-time users, which improved the chances of a second visit by 90%.
- Collaborated with the technology team to design and develop custom software solutions to automate and streamline logistics processes, enhancing efficiency and reducing costs.
- Identified and resolved project risks and issues, applying proactive problem-solving skills and leveraging resources to mitigate potential roadblocks.

Front End Web Developer

Just web technology • Lagos, Lagos
02/2019 - 05/2021

- Developed front-end architecture that improved the scalability and performance of the website
- Developed a custom UI library that increased developer productivity and code reuse
